

## **Series 1000: Policy Overview, Mission Statement, and Definitions**

### **1100 Policy Overview**

#### **1101 General Policy Statement**

The Board will establish, maintain, and amend bylaws and Policies (together, "Policies") that guide the District and assist the Board and its designees with carrying out District functions and duties.

##### A. Policies serve to:

1. formally articulate the Board's goals, standards, and objectives;
2. provide the Board, administrators, and other personnel with guidance in making decisions that affect District operations, functions, and duties; and
3. inform the public of the manner in which the Board, administrators, and other personnel conduct District operations, functions, and duties.

Policies are intended to be flexible where possible.

##### B. Specific administrative regulations, procedures, practices, contracts, collective bargaining agreements, handbooks, and other documents also may guide and govern actions and decisions and should be consistent with Policies.

###### 1. Collective Bargaining Agreements and Past Practice

These Policies supersede any inconsistent past practice. The Policies, however, are not intended to change or alter the terms of a collective bargaining agreement between the Board and a labor organization. Collective bargaining agreement terms supersede inconsistent Policies unless contrary to state or federal law.

###### 2. Other Contracts and Legal Obligations

These Policies do not change or alter the terms of enforceable contracts or other legal obligations.

##### C. Validity of Policies

Policies should be interpreted consistent with applicable law. If a court determines that a Policy provision is invalid or that a changed legal standard makes a provision unlawful, the unaffected provisions remain in force.

A violation of Policies may result in discipline, including discharge.
