

Series 4000: District Employment

4300 Non-Exempt Staff

4301 Definition

“Non-exempt staff” may include transportation, custodial, maintenance, food service, clerical, and paraprofessional employees and other employees who do not meet an exemption under the Fair Labor Standards Act or the Michigan Improved Workforce Opportunity Wage Act. The term does not include “exempt” professional staff, administrators, supervisors, or the Superintendent (as defined in Policies 4401, 4501, and 4601). Non-exempt staff are employed at-will and their employment may be altered or terminated at any time with or without cause, unless governed by a collective bargaining agreement or individual employment contract containing a different standard of employment security.

Unless otherwise provided by a collective bargaining agreement or individual employment contract, non-exempt staff will be subject to a probationary period of 60 work days, unless otherwise specified, in writing, by the Superintendent. Successful completion of the probationary period will be contingent, in part, upon satisfactory performance as measured by the performance evaluation, regular and reliable attendance, and discipline.
