The District will convene a crisis response team to investigate and develop an intervention plan for the student, if necessary.

A member of the crisis response team will immediately notify the student's parent/guardian if the student threatens or attempts suicide.

District personnel who suspect that a student may have a disability under Section 504 of the Rehabilitation Act or the Individuals with Disabilities Education Act must immediately refer the student for an evaluation.

The District will print the number of a national, state, or local suicide prevention hotline that can be accessed at any time on student identification cards for students in grades 6-12.

The District will provide age-appropriate instruction and professional development about suicide prevention, consistent with Policy 2203 and state law.
